CRISIS? WHAT CRISIS?

***CELEBRITY Big Brother* babe Jemma Lucy made us all forget the coronavirus crisis when she shared this snap on Instagram.**

The *Ex On The Beach* star left fans picking their jaws up from the floor as she shared a sensational pic of her donning the world's teeniest bikini while sipping a cocktail in Bali.

Jemma, 31, has never been one to shy away from flaunting her wonderful curves, often sharing racy snaps to her 638,000 Instagram followers.

HITTING IT OFF: Amy and Jamie in the show

Towie Amy's dinner date loo romp

CHILD'S PLAY: Amy had a limp reason for why she and date went off

TOWIE **stunna Amy Childs appeared to have romped in a restaurant's toilets while filming *Celebs Go Dating*.**

The reality TV star, 29, went off with date Jamie during dinner with *Made In Chelsea*'s Olivia Bentley and her love interest.

An episode aired on Monday saw the pair make their excuses and leave midway through the meal.

Dishevelled

They came back looking dishevelled and gave feeble excuses as to why they had left.

A production source said: "They more than just kissed in the loos. They romped there as the pair couldn't keep their hands off each other.

By WENDY THOMAS
news@sundaysport.co.uk

"Surely most viewers knew what was going on. They said it without saying it. The moment and emotion just got the better of them."

The pair had flirted earlier in the date and the roofer joked about him fixing her "leak".

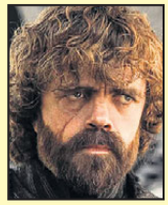
Mum-of-two Amy said: "Me and Ja clicked really quickly. We have this chemistry…I really want to kiss you."

Amy and Jamie returned looking sweaty, to which Liv asked: "What have you been doing?"

Amy replied: "Nothing, just went for a chat. We actually had a chat. I swear, we had a chat, didn't we?

"We had a chat about, um… what did we have a chat about?"

Me on your face? Tatt's weird!



GAME of Thrones star Peter Dinklage says he finds it weird when fans get tattoos of his character – on their FACES.

The American actor – Tyrion Lannister in the hit show – said he was taken aback by them.

Peter (*left*), 50, added: "People are getting tattoos of me on their face. I find that a little weird. You could get a tattoo of anything where you wouldn't even see it…but Tyrion? On your face?

"OK, they're of Tyrion not me, but Tyrion's face is my face too. I've seen a couple of those and I look at them and it's like, Oooh-Kay…That's me on you. And yes, that's strange."

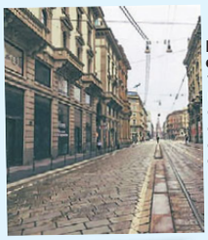
MONDAY

THE coronavirus outbreak causes a collapse in global markets, with £140bn wiped off share values in a single day.

But, with toilet paper in short supply, at least SOMETHING is being wiped.

TUESDAY



ITALY goes into full coronavirus lockdown, with even bars and restaurants ordered to close unless they can guarantee that customers stay at least one metre apart and have limited interaction.

So, basically, only married couples are allowed out.

WEDNESDAY

THE actress Amanda Redman demands more sex scenes featuring older people on UK television.

Well they better hurry up. At this rate there isn't going to be any older people.

Plenty of stiffs, though.

THURSDAY

BORIS Johnson vows to "squash the sombrero" – which is his way of describing the graph showing how the coronavirus normally spreads.

President Donald Trump vowed to help in every way…until his carer gently explained that a Mexican won't actually be wearing the sombrero when it's squashed.

FRIDAY

ALL elite football in England is suspended until at least April 3.

A Premier League spokesman said the sport would do all it could to prevent fans being exposed to a menace which will make them sick, tired or even lose the will to live.

Which is a novel way of describing Liverpool winning the league.

SATURDAY

THE Wales-Scotland rugby match was postponed – even after a few extra safety measures were added.

Players were reminded to avoid handshakes, make sure an opposing player is wearing a condom before grabbing hold of his dick, and thoroughly boil each other's piss before drinking it during any post-match shenanigans.

BABES STRIP FOR PEDAL POWER EVENT

By BARNEY SAMUELS
news@sundaysport.co.uk

NOT all activists are whey-faced youngsters who blether on about the End of the World.

This bunch of eco-warriors made the whole thing a lot more fun– by stripping off!

Around 180 folk went bare in Byron Bay, a top surfing resort in Australia's New South Wales.

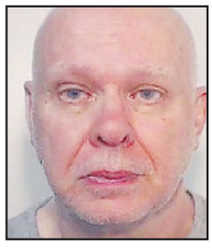
Bushfires

And despite their country being reduced to smouldering ruins by recent bushfires and an ongoing toilet roll shortage, the participants all gladly took to the saddle for the World Naked Bike Ride.

The aim of the annual event is to highlight the vulnerability of cyclists to motorists, protest against transport powered by non-sustainable forms of energy, and promote a positive body image for all.

One onlooker said: "The girls were all laughing and giggling – especially went they went over cobbles. Oof-yah!"

PERV PULLED PUD AT BUS STOP



By BRAD CHADWICK
news@sundaysport.co.uk

A SICKO with an "appalling record of sexual offending" pulled his trousers down and performed an indecent act at a bus stop – unaware he was being watched by undercover cops.

Officers saw "attention seeking" Paul Smith, 62, walk around Piccadilly Gardens in Manchester city centre during the busy morning rush hour.

Then he pulled down his trousers and performed a sex act on himself while looking at two women.

He had his hood pulled up, obscuring his face, to create a "letterbox effect", with only his eyes visible.

Smith (*left*) was just 14 when he was first convicted of exposing himself and has since racked up more than 100 similar offences. He has now been jailed for two years and eight months, having committed his most recent offence – of outraging public decency – shortly after being released from his last jail sentence.

Manchester Crown Court heard that at around 7am on January 10, police saw Smith walking up and down at different bus shelters.

He stopped at a stand about six feet away from two women, pulled down his trousers and began behaving indecently.

The court heard Smith was "so focused" on the women he didn't realise the cops were watching. They quickly arrested him.

Smith later pleaded guilty to outraging public decency, as well as three counts of breaching a sexual offences prevention order.

Gemma: My dreams are a nightmare

TOWIE star Gemma Collins has revealed that she has recurring nightmares about being stabbed to death, having her teeth pulled out falling to her doom.

Speaking on her BBC podcast Gemma (*above*), 30, said: "My nightmares have consisted of me being stabbed to death, which is really upsetting and scary. I remember waking up and feeling that it was actually happening.

"Another recurring nightmare that I have is someone holding me down. I can't speak and I cannot communicate with anybody.

"I have had dreams about having all my teeth pulled out – and that can relate to stress."

She added another horror nightmare was her falling to her death, adding: "One recurring dream I have a lot is I'm on the bed and I start fallingat a rapid rate, and then I wake up and go 'Agh'."

I'LL PAY £10K TO BONK MEGHAN'S SPITTING IMAGE PUPPET

LATEX: *Spitting Image* model of Meghan

Fidget spinner billionaire's indecent proposal

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

THERE'S a half-wit in the White House, a tyrant in the Kremlin and a blond bombshell at No.10.

When could there be a better time for the return of *Spitting Image*?

The puppet satire show returns to telly screens on streaming service BritBox UK this autumn after a 24-year absence.

The show – compulsive viewing back in the mid-1980s – will target Donald Trump, Beyonce and Boris Johnson.

The new *Spitting Image* will naturally have Harry and Meghan in its sights – and that's piqued the interest – and the lust – of fidget spinner billionaire Bobby Atkins.

Atkins, 35, who made his fortune from the short-lived fidget spinner fad – now sits on vast wealth and uses it to try and have sex with famous women.

But this is the first time he's put in a bid to shag a latex PUPPET!

Departure

Speaking from his holiday mansion near Biddulph, Staffs, Atkins told us: "I would love to have a go on Meghan but despite her and Harry's departure from royalling, she is still a member of the Royal Family.

"My old mum would have a fit if she knew that I was using my wealth to proposition royals! What's more, Harry looks quite hard and he could box my ears or shoot me with his old Army gun.

"But I think that I can put in a bid to bonk the puppet. I'd have my people rinse out my leavings afterwards, of course. Then the puppet would be good as new.

"And I think that the ten grand I am offering would come in handy for the production team."

Co-creator Roger Law – who has so far yet to respond to Bobby's request – said he had declined to revisit the show until now, adding: "The new *Spitting Image* will be global through a uniquely British eye, it will be more outrageous, audacious and salacious."

Bella's Boobs make a show!

BELLA Hadid very much freed the nipple on the Paris Fashion Week runway.

The 23-year-old supermodel showed off this daring number for Brit designer Vivienne Westwood's AW20 show.

Her dress had a bridal feel and was completely sheer, exposing the beauty's full, rounded teats.

One onlooker said: "I don't know a lot about fashion but that frock made my wee-wee point up."

W**ker jailed for judge aggression

A FLASHER who tossed off in front of passers-by has been jailed after being aggressive to the judge.

Bogdan Stelea, 34, exposed himself and masturbated furiously just after midnight on November 3 last year.

Police were called and he was arrested on suspicion of outraging public decency.

After being charged, he pleaded not guilty at Brighton Magistrates Court in December – but failed to turn up to his trial last month and was convicted in his absence.

He was later arrested and hauled before district judge Amanda Kelly.

But despite it being a low-level offence, his attitude towards her landed him a 14-day prison sentence.

Sentencing, Ms Kelly said: "His demeanour was aggressive."

Flasher too pissed to pull up his keks

A MAN who was nicked on suspicion of exposure told cops he was so drunk he was unable to pull up his own trousers.

Police were called to the High Street in Barnstaple, Devon, after reports of a man with his cock out in public.

When they arrived, they arrested a 56-year-old who they described as "heavily intoxicated" and "was not wearing any underwear".

They also say the man was not wearing a belt, which he claimed led him to expose his genitals.

A police spokesman said: "The man told police under interview that he had been so drunk that his trousers had fallen down and he was incapable of pulling them up,leading to his genitals being exposed.

"He expressed remorse and was handed a caution."

Bum-slap seaman said it was 'BANTER'

By BRAD CHADWICK news@sundaysport.co.uk

A ROYAL Navy underwater warfare expert has been convicted of sexually assaulting a 17-year-old female sailor after repeatedly slapping her bottom.

Leading Seaman Andrew Hallimond, 38, sexually abused the teenager on several occasions – but argued he simply liked banter and taking a 'slightly friendlier approach' with young recruits he was in charge of.

A court martial heard that over a period of three months Edinburgh-born Hallimond became obsessed with the junior sailor and on one occasion shocked her by saying 'it's nice to see you have red underwear in your drawer'.

It was alleged he made inappropriate comments to her 'on a daily basis' and 'could not keep his hands off her'.

Hallimond, who was attached to submarine-hunting frigate HMS Richmond, told the court he liked to encourage 'banter' as it could 'break down barriers' with his young charges.

OBSESSED: Warfare expert Hallimond

Touching

He admitted slapping her bum while playing a game of basketball but said he did this sort of thing as a 'compliment' when someone scored a goal or played well.

On another occasion, the court heard the young woman was alone on the basketball court with Hallimond when she bent down to put her water bottle on the floor and he slapped her bum.

His victim said the touching and abuse happened so often she 'expected it whenever she came into work' at HMNB Devonport in Plymouth.

The panel found Hallimond guilty on one count of sexual assault.

He was cleared of three other charges, including grabbing the woman's breasts during the basketball game, and slapping her bottom in a lift and an office.

Hallimond will be sentenced on March 27.

THE VOICE OF YOUR BRITAIN

Just spare a thought for Britain's sex people

WHEN a great crisis hits this mighty nation of ours, it is always the vulnerable sub-sections of the population who are forgotten in the stampede of panic.

As fear takes the nation by the throat and fights break out for the last toilet roll or tin of baked beans, have we spared a thought for how the plague is affecting minorities?

We speak, of course, of Britain's dogging community.

This hardy group of people turn out in all weathers, at all times of the day and night, to engage in furtive sexual activity in car parks, lay-bys and country parks.

Without a thriving dogging community keeping them alive, these places would be lonely and deserted after dark.

But the coming restrictions on movement and socialising will hit the doggers harder than most.

Let us not fall into the trap of believing their activities are just a hobby or idle pastime.

This is a way of life and it is a way of life threatened by an uninvited plague from the distant east.

It is time to stand together with the doggers and help them though this trial.

They are our friends and our neighbours…

Pray for them.

Spirits lifted

WE may be in the middle of a life-changing medical crisis – the sort of thing that we only usually read about in novels or see in disaster movies.

But even in despair, we must never forget we are BRITISH!

And British spirits never fail to be lifted by a pair of thumping great BUSTERS!

So that's why today we salute gorgeous Bella Brewer.

The fresh new Sunday Sport star has whoppers that are more than enough to see us through the coming dark days.

Bella, take a bow…

You are the saviour of the United Kingdom!

Chelsea: I relax with a w**k!

YANK telly presenter Chelsea Handler says she likes to relax – by MASTURBATING!

The 45-year-old (*above*) was talking to US magazine *Health* about her well-living routine and revealed that flicking the bean can be just as good as meditating.

She said: "Therapy, meditation, and weed – those are the three things that really changed me.

"Meditation always annoyed me, and people talking about meditating annoyed me. I tried with my psychiatrist several times.

"He made me short recordings and long recordings, and then I'd meditate. Sometimes I'd just masturbate.

"They both start with 'm', and your brain lets you relax after each one… so who cares?"

Handler spoke to Health about her *"happiness journey"*, which she defines as "to be anxiety-free, ready for anything, and to have an optimistic outlook about what happens in your day."

Apart from the good bit about masturbation, the interview was filled with the usual Hollywood showbiz-type garbage.

City centre nudist taken to hospital

POLICE were called after a man was seen walking naked through a city.

Cops responded to the Broadmead area of Bristol by concerned passers-by who saw the bloke, said to be in his 30s.

One witness said he saw the nude fella walk from Primark to Newgate, where he was arrested by officers for indecent exposure.

Avon and Somerset Police have since confirmed the man was then de-arrested before being taken to hospital.

A spokesman said: "A man in his 30s was originally arrested for indecent exposure.

"He was then later de-arrested and taken to hospital for treatment for mental health-related issues."

I'm not a pervert ...I'm NONCE BINARY

SNIFFING bike seats, lurking around the park and walking past schools more than is strictly necessary.

Malcolm Ford certainly fits the bill of what is commonly called a "nonce".

But the 56-year-old former swimming coach refuses to be labelled in "simplistic terms" and says he identifies as "nonce binary".

The one-time youth worker said: "When I was last in court for hanging around a children's clothing store, I was called an 'incorrigible pervert with depraved tastes'.

By SIMON DEAN
simon@sundaysport.co.uk

Label

"And I think that is quite unfair – just because I had my dick out at the time.

"To slot me into some category simply because that's what society has decided is the label it wants to give me is very hurtful.

"What's more, it denies me my human rights as an individual."

Malcolm, who was asked to leave his position as a church warden in Hull earlier this year, said: "It's for me to choose my identity and not for it to be imposed by a society that doesn't understand and does not care.

"I really think that my new designation as 'nonce binary' will catch on and that many others in the nonce binary community will join together."

Castrate

But not everyone is happy to adopt this latest addition to the politically-correct lexicon.

Terry Furey of the action group, Hey Paedo, Leave Those Kids Alone, raged: "I don't care what these beasts want me to call them.

"They are perverts, pure and simple.

"I was extremely disappointed that in his Budget last week, the Chancellor did not announce funding to help us castrate these monsters.

"With bricks.

"Paedos. They make my blood boil."

Man told to trap mice fined for trapping 'em

A SHOPKEEPER who was prosecuted for hygiene offences involving mice was later taken to court by the same council for ill-treating the rodents!

Ishrat Nasar and his business, Hemel Foods Ltd, were fined almost £15,000 for breaching food safety, hygiene and animal welfare laws.

A local authority had inspected Nasar's premises on September 11, 2018 after receiving a complaint regarding poor food hygiene conditions and pests.

He had tried to get rid of the mice in his shop by laying down glue traps, St Albans Magistrates' Court heard, but these resulted in the unnecessary suffering of mice, a criminal offence.

Nasar said: "I thought I had done nothing wrong. The glue traps were given to us by a professional pest controller. It is recommended that the mats are checked every 12 hours, the council said we should have been checking more regularly."

The Hemel Hempstead, Herts, company and Nasar were fined £7,400 each and were ordered to pay the full cost of the prosecution of £17,131.58.

CARA'S SAVINGS AREN'T ROSE-Y!

By WENDY THOMAS
news@sundaysport.co.uk

MEGA-BOOBED Cara Rose is concerned the financial markets are overreacting to the threat of coronavirus – because she's lost thousands in savings.

Brummie Cara, 24, made a point of being money-savvy after she started whipping out her spectacular 32G busters for a living.

She said: "The career span of a big-boob model is not long. You can get 10 years, max.

Bollocks

"So from the beginning I've been squirrelling away half of everything I earn.

"Obviously there have been ups and down in the market but things were just starting to get back on the up when this virus came along.

"Now they've tanked. I've had a fortune wiped out and it's bollocks. People are just panicking and sadly the markets are not rational.

"I just hope it turns out to be something and nothing because I had planned to retire at 40.

LOOK AND LEARN: Busty Rebecca and Sophie

LESSONS IN LUST!

ATTENTION PLEASE! Who wouldn't want this sexy pair as teachers?

Porn stars signed up for sex ed videos

By WENDY THOMAS
news@sundaysport.co.uk

NETFLIX has teamed up with porn stars Rebecca More and Sophie Anderson to make a sex education video.

The streaming giant released a special one-off video with Rebecca and Sophie – who call themselves 'The Cock Destroyers'.

In the video, the pair rebrand themselves as the "sex education destroyers" in order "to teach you everything you want to know about sex that they didn't teach you in school".

The pair's sex ed curriculum takes viewers through the basics of sexuality, as well as consent, vaginal pleasure, anal sex and douching.

In the video, the pair – who are also gay icons – explain: "Thankfully, there is an entire spectrum of sexuality.

"Some people are gay, and I love that for them.

"And some people are bisexual, which means they are attracted to multiple genders.

"Some people are pansexual, which means who they are attracted to isn't affected by sex or gender identity.

"And some people are asexual.

"The spectrum doesn't stop there. There are so many ways to experience the world as a sexual being but, however you identify, we love you!"

The pair also provide advice for anal sex.

They explain: "If you enjoy anal sex – and honestly, who doesn't – douching can be an integral part of preparation.

"Douching is when you use an enema filled with water or a saline solution to flush out your anal cavity, preparing it to be… destroyed!

Irritated

"You can pick up a bulb at most sex shops, or find a disposable version at your local pharmacy.

Some people like to use a saline solution, but I prefer a lukewarm water.

"Over-douching can irritate your bum, causing dehydration and inflammation, so don't over-douche, love, because it's easier to wash your sheets, that's right, than deal with an irritated bum."

The video was intended to promote the Netflix show *Sex Education*.

Mountie charged with sex offences

A DIRTY Mountie has been charged with multiple sexual offences in connection with alleged indecent acts near a private girls school.

Andrew Seangio – an officer in the world-famous Royal Canadian Mounted Police – has been charged with seven counts of indecent act and three counts of exposing himself to minors, as well as one charge of voyeurism.

The Vancouver man was arrested after cops investigated a string of indecent acts near York House School in the posh Shaughnessy area.

Seangio is suspended with pay prior to appearing in court on April 29.

DOGGERS SCR BY DEATH PL

NO SEX PLEASE: Outdoors nookie events are on hold

By WENDY THOMAS
news@sundaysport.co.uk

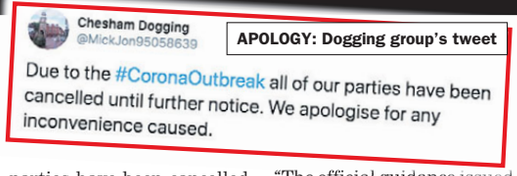
THIS shit just got serious, folks – because now the coronavirus outbreak has hit SEX PEOPLE!

As the Government unveiled its plan to try to contain Covid-19 in the UK – which could see all large gatherings of people cancelled – Chesham Dogging group have axed their nookie parties.

The organisation, which is based in Buckinghamshire's Chiltern Hills, announced on Tuesday all their group rendezvous have been cancelled for the foreseeable future, as the number of confirmed cases in the country reached hundreds.

It tweeted: "Due to the #CoronaOutbreak all of our parties have been cancelled until further notice.

"We apologise for any inconvenience caused."



Chesham Dogging
@MickJon95058639
Due to the #CoronaOutbreak all of our parties have been cancelled until further notice. We apologise for any inconvenience caused.

APOLOGY: Dogging group's tweet

According to Chesham Dogging's Twitter bio, the group "organise some of the biggest and best sex parties in Buckinghamshire and are dedicated to promoting dogging in the local area".

Dogging involves people having sex in public – usually in woods or car parks – while others watch.

Experts have advised that anyone suspected to have the virus should self-isolate and many may not show any symptoms at all – so sex is a clear no-no.

Dr Simran Deo, at online doctor site Zava UK, said: "The official guidance issued by the NHS and other health bodies tells us to avoid contact with those who have been infected.

"Epidemiologists encourage people to limit or avoid physical displays of affection while the ways coronavirus is spread are identified.

Quarantine

"So having sex with someone who has coronavirus – or who is under quarantine during the virus's incubation phase – is certainly not advised."

The responsible approach of Chesham Dogging has won plaudits from health professionals and members of the public alike.

In fact, the single shelf-stacker from Boston, Lincs, had misread an online gag about coronavirus stockpiling!

Brian, 45, told us: "As you can imagine, shelf-stacking is one of the busiest professions in Britain right now.

"We are at it constantly because however fast we fill the shelves, panic-buyers strip them clean.

"Our busiest section has been the loo roll, which has been particularly trying for me, with my condition.

"Thanks to my piles, wiping my arse with even the softest, quilted tissue is like rubbing my ringpiece with sandpaper. Constant bending is playing havoc with my chalfonts."

By MICHAEL REDFERN
news@sundaysport.co.uk

But Brian revealed that he saw what he thought was the Holy Grail online on Monday.

He said: "I was scrolling through Facebook and I saw the words 'Oxo cubes' and 'pile'. I was tired and not thinking straight and my arse grapes were throbbing like mad.

"In my maddened state I thought, 'Oh, a cure – let's give it a go'. Well, I don't know if you've ever rubbed piles with a dry stock cube. It was absolute agony, but I persevered."

It wasn't until Thursday, after three hours of agonising Oxo application, that Brian twigged.

He said: "I looked again and can you imagine my horror when I saw I'd not been reading a therapy suggestion – it was a lame joke!"

The joke reads: "I've been rubbing Oxo cubes on my haemorrhoids – does this make me a stockpiler?"

Brian harrumphed: "As you can imagine, I did not find it at all funny. Still, if someone wants to rim me, my bum will taste of gravy."

Sh*t-in-aisle shock after shopper did their big plop

A HORRIFIED mother and daughter found POO on the floor at a supermarket – and were even more disgusted to find it was still there FIVE HOURS later!

Hayley Thomson was shopping with her mum at the store in Geelong, in Victoria, Australia, during the day when she spotted the stool underneath shelves in an aisle with cleaning products.

She returned to the store in the evening to find the faeces was still there, leaving her feeling "disgusted".

Hayley said: "Mind you, there was a whole team stocking the freezers in the aisle next to where the incident happened."

Woolworths – which is still trading in Australia – apologised to customers and staff and urge anyone with further information to contact the police.

A spokesman said: "This type of behaviour is plainly unacceptable and we feel sorry for those customers and team members who were exposed to it.

"As soon as our store management became aware of the incident, we moved to quickly conduct a thorough clean of the area."

Cops called for naked minister

A GOVERNMENT minister had to be helped indoors by cops after he was found wandering naked outside his home.

Families, Communities and Disability Services Minister Gareth Ward was apparently "confused and disoriented".

Police said they were called to the flat after getting reports that a naked man was trying to get into an apartment.

When police arrived Mr Ward (*above*), 39, was standing starkers in the doorway of a flat, which they determined was his and escorted him inside.

The Minister later issued a statement saying he was "disorientated" because earlier that day he had been under a "general anaesthetic for a procedure" in hospital.

Mr Ward, of New South Wales, Australia, thanked the police for their help.

DOGGING FAN: Roxy

'Outdoor sex is my life – and now we're told we can't leave the house!'

By SUZIE SHELDON news@sundaysport.co.uk

DOGGER Roxy and hubby Tony (not their real names) are stalwarts of the Buckinghamshire sex-people scene and have enjoyed several events laid on by Chesham Dogging.

And the ban on sex parties announced by the group has hit them like a thunderbolt.

Roxy, 30, said: "Right through the winter, when other people were tucked up nice and warm indoors, Tony and I were out there in the car, meeting other people and having lots of adults-only fun.

"We're certainly not fairweather doggers – come rain or shine we're out there.

"But of course it's best on a lovely, warm summer evening when the birds are singing and the spunk is flying."

Roxy said she and Tony got into dogging after reading about it online.

Boundaries

She added: "I said to him, 'The idea of that really turns me on' and he said, 'I'm glad you said that because I love the idea of seeing you get f**ked by strangers'.

"We just went for a look the first few times and that's OK because everyone respects each other's boundaries.

"But after a couple of weeks I was bent over the bonnet getting screwed by I think it was five blokes.

"They all came on my face. I was dripping with spunk. Tony took a photo and we really treasure it."

Roxy said that she hopes the coronavirus panic will pass soon.

She added: "I know that we've got to stay safe, and avoid unnecessary contact with people, but I love outdoor sex – I crave it most of the time.

"Outdoor sex is my life – and now we're told we can't leave the house!"

THAT'S NOT HAND SANITIZER – IT'S JIZZ!

HAND JOB: A bottle of genuine sanitizer

Fraudsters cash in with spunk scam

EVIL gangs are cashing in on urgent demand for hand sanitizer by selling SPUNK as the life-saving bug gel.

Since the onset of the coronavirus plague, sanitizer has been stripped from shop shelves and some retailers are rationing what's left.

Online, tiny 50ml bottles of the gel – which, used properly, can kill the coronavirus – are changing hands for ever-increasing sums of money.

That's attracted the attentions of various gangs – mostly from Eastern Europe – quick to make a buck out of human misery.

It's believed that one particular handgel sold in some stores – which bears a striking resemblance to human jizz – inspired the filthy scam.

One trading standards officer – who asked to remain anonymous for fear of reprisals from the gangs – warned: "If you buy hand gel from a reputable supplier or store, you are guaranteed of getting the real deal.

By SIMON DEAN news@sundaysport.co.uk

"But if you buy it online from a third party or from a black market hand gel supplier in some dingy back street, you are practically asking to rub your hands in human semen.

"What baffles me is how they are getting hold of this much spunk – it would take many ejaculations to fill just one bottle.

"They must have teams of slaves wanking round the clock. It's inhuman!"

Police sources believe that Albanian shit gangs, previously behind thefts of stools from public toilets, are behind the racket.

A source told us: "These people think nothing of trading in human effluvia.

"After shit, spunk must be like nectar to them. The dirty, dirty bastards."

Swimming poo shut down as floater strikes again at baths

SWIMMERS heard those dreaded words, made famous by the movie *Jaws*: "Get out of the water!"

And their swimming pool was closed down – not over coronavirus, or even a dangerous maneating shark.

The public pool at Eastfield Leisure Centre in Rutherglen, South Larnarks, was forced to close due to a POO being spotted in the water.

A post on the Council's Leisure in South Lanarkshire Facebook page stated: "Lifestyle Eastfields pool is currently closed due to an AFR incident… we are working hard to reopen."

"AFR" refers to Accidental Faecal Release and the soiling incident occurred some time during Tuesday last week.

Poos, which are often called "jobbies" in Scotland, are a perennial hazard in swimming pools.

The news came just weeks after *Sunday Sport* reported that floaters were the most common reason for swimming pool closures in South Lanarkshire last year.

A Freedom of Information Request showed AFR caused the most partial closures in the area.

Teacher's 'Nazi' jibe at bashed victim, 87

A TEACHER accused of assaulting an 87-year-old German woman and calling her a "Nazi" has been charged with a hate crime, police said.

Nancy Sweeney, 45, was arrested after being accused of hitting her neighbour in the face with a handbag inside a parking garage at their apartment complex.

The blow caused the victim to fall down, leaving her with bruises and cuts to her face.

The victim also told cops Sweeney called her a "Nazi".

Sweeney *(above)*, who teaches at Franklin Elementary School in Park Ridge, Illinois, was said to be upset her neighbour was exercising in the indoor garage.

Sweeney is facing charges of aggravated battery and hate crime.

IS THIS THE WORSE EXCUSE EVER HEARD IN A BRITISH COURT . . .

I was just exposing myself to the virus

GUILTY: Michael Watson

TROUSERS around his ankles and fondling his "semi-flaccid" organ in the direction of shoppers, Michael Watson made an arresting sight in a busy bus station.

And arrested is just what he got, once constables summoned to the scene caught up with him.

The 48-year-old was said to be "heavily intoxicated" at the time so officers in Newcastle threw him in a cell to help sober him up.

Outlandish

When Watson appeared before magistrates on Friday, his excuse for his outlandish behaviour led several in the court to suspect he had been on the piss again.

By OUR COURT STAFF
simon@sundaysport.co.uk

For the unemployed plasterer claimed that far from committing an act of outraging public decency, he said he was trying to alleviate the worst symptoms of coronavirus.

Conducting his own defence, he told the bench: "I read it on Facebook, that if you get Covid-19 through your dick, the symptoms are less worse, and that.

"So I heard this lady coughing and I thought, 'She's got it, I'll go and catch it off her – though my dick – so I'll only get it mildly and then I'll be immune, won't I, see?

"I was trying to explain to the people what I was doing but they were all screaming and crying and carrying on with themselves so they simply didn't understand me.

"Maybe I was slurring my words – a bit – because I'd had a couple of ciders.

"But I wasn't pissed. I'm no alky."

He added: "I have a genuine public interest defence for doing what I did."

After taking legal advice from the clerk of the court in their chambers, the magistrates found Watson guilty.

Penguin

The court was told that Watson had 23 previous convictions for indecency – mostly in public – and one involving a plastic penguin in Sunderland.

Sentence was deferred for reports and in the meantime Watson will have to sign the Sex Offenders' Register and may not enter a bus station except to board a bus.

Cops dress as gorillas to scare off monkeys

By BRAD CHADWICK
news@sundaysport.co.uk

INDIAN border guards have taken drastic measures, dressing up as gorillas to clamp down on rampaging monkeys.

Video shows officials on the border with Tibet donning black gorilla costumes in a bid to deter gangs of macaques.

The two-minute-long clip shows two guards emerge from a watch station wearing black furry bodysuits dozens of apes flee.

The country has been overrun by the pests as airports, offices, army bases, religious shrines and even whole villages have been plagued with the scavenging primates.

The gorilla-suit idea in the monkey-human turf wars appears to work and there are plans to extend it.

There are estimated to be over two million of the apes roaming the land.

Measures to curb the monkey population through sterilisation have been tried but the creatures are becoming increasingly bold, especially around food sources.

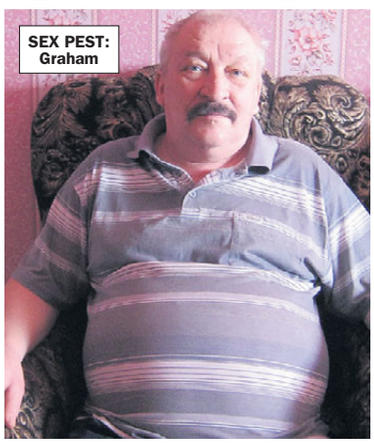
THIS DICK IS WELL-GEL OF BLOKES WITH A COCK

Graham's anti-bac nightmare



SEX PEST: Graham

GRAHAM Keats was feeling proper cocky when he barged some orphans out of the way to get his hands on the last bottle of hand sanitizer in his local chemist.

He even boastfully posted a pic of the prized gel on his Facebook page along with the hubristic caption: "Ha, ha – do your worst, coronavirus."

But, as is so often the case, pride comes before a fall.

Incinerated

And now Graham has gone from cock of the north to singed chicken – after his meat and two veg were incinerated in a freak accident.

Glum Graham, from Morpeth in Northumberland, told *Sunday Sport*: "I said to my wife, Elsie, we should have some sex to celebrate me getting some hand sanitizer.

"She said, 'OK, if you must – but turn the lights out and use some lube, on account of my vaginal dryness'."

Unfortunately, in the gloom of their boudoir, Graham accidentally used his hand gel instead of lube.

And when he went for a post-coital cigarette in the bathroom, alcohol from the gel ignited with a blue flame, searing his dick to a cinder.

Now out of hospital, Graham, 62, winced: "It was the little Baby Jesus getting me back for my selfishness.

"My knob's in a right state and the docs aren't sure if it will ever work again. Bah!"

That's music to long-suffering Elsie's ears, who told us: "He's forever pestering me with his dirty ways and he got even worse since he got his hands on that hand gel. I'm just praying he gets gangrene of the genitals."

Naked nut nicked for stabbing of his cousins

A MAN was arrested after he stripped off, stabbed his cousin in the head and punched his cousin's young son several times.

Cops were sent to the scene after receiving a report of a possible domestic incident.

They found a 33-year-old man bleeding from his face outside an apartment. The man told them the alleged stabber Carzil Pruitte, 38, who lives at the apartment, was still inside, as was his four-year-old son.

Officers forced their way into the flat in Joilet, Illinois, and found Pruitte sitting naked on a couch and talking to himself.

He was taken into custody and the child was found hiding behind a couch.

Officers determined the alleged victim, who was visiting from out of town, was watching videos with his son when Pruitte entered the room and mumbled at him.

"Pruitte then took his clothes off and stated he was going to kill the both of them," according to police.

He punched, bit and stabbed his cousin in the head, then punched his cousin's son.

Pruitte was hauled of to the lock-up pending a trial on a string of charges.

Doorstep turds man in the shit

A MAN was caught laying a steaming number two on the doorstep of a law firm before stealing the CCTV camera that recorded the vile act.

Michael Makdessi told magistrates he had no other option than to defecate at that location last October because there were no toilets available.

Makdessi, 33, had worked as a barber nearby and it is understood he had previously been asked not to smoke outside the law firm's office.

Magistrates in Sydney, Australia, poo-pooed the excuse that Makdessi had no alternatives and handed him a £425 fine and a two-year community order.

SELF-PERVICE

PERV Chris Davis, 33, was arrested when he was caught printing out indecent images on a self-serve photo machine at a supermarket in Henderson, Kentucky.

Lesbian kills with flaming hand sanitiser

A CRAZED lesbian sparked a fatal fire by igniting a bottle of hand sanitiser and chucking it at her girlfriend.

Destiny Waite (*above*), 28, set the bottle on fire while arguing with her partner at their apartment building.

The flames spread to upper floors of the block and firefighters responded and rescued a number of people.

Four people were critically injured in the blaze. In a secondary search of the building, firefighters found 50-year-old Jerome Kyser dead inside, according to a report.

Waite faces a murder charge and is being held in custody.

A police source in Hartford, Connecticut, said: "She must have been one angry lesbian because that hand sanitiser is like gold dust just now.

"People are literally fighting to get hold of it and here's this woman wasting it by turning it into some kind of firebomb.

"They ain't right in the head, these people."

Sick zoo found in stinking flat

HORRIFIED cops found 22 cats, six dogs, two ducks, a tortoise and a PIG living in their own filth with their owners in a tiny basement flat.

Animal welfare called in police after a tip-off about the apartment, which was only 12-ftt square.

The American Alliance for Protection of Animals said it found two dead cats and three dead tortoises among the menagerie of live critters at the flat in Brooklyn, New York.

Most of the living animals were "severely neglected".

The apartment in the basement of the two-storey, red-brick home is occupied by a couple in their mid-40s and their 15-year-old son, who was taken to a local hospital for medical examination.

It's believed that all three are bonkers.

WHAT IF ALL KIDS' TV WENT PC?

EVEN The WOMBLES are not safe from the crazed commissars of political correctness...

By JAYNE FERGUSON
news@sundaysport.co.uk

A new revamp of the popular 1970s BBC series has come under fire from the family of their creator, who say that attempts to make them PC and ethnically diverse insinuate that their mother was racist, and that it insults her memory.

In January, a new CGI trailer of the show was teased on social media, showing two of the fictional creatures with different skin tones hugging, along with the caption: "Diversity is beautiful. In humans, in animals, in nature."

The remake has come after businessman Craig Treharne bought a controlling stake in the franchise off Mike Batt, the composer of the show's theme tune – leaving the family of Elisabeth Beresford, the creator of the Wombles, with just a 15 per cent share.

Marcus Robertson, the son of Mrs Beresford, said it was clear that the show was heading in a new direction and that he had been led to believe that his mother's views had been racist when he was told the characters needed to be more relatable.

"Wombles have grey fur and orangey-brown faces," he said.

"I don't believe in black or white Wombles and neither did my mother, because Wombles are Wombles. We believe in the diversity of humans, but Wombles are not ethnic humans."

The "woke" brigade have already ruined the Wombles.

Blonde stole vibrator in shoplift spree

A PRETTY blonde has admitted to stealing a vibrator from a sex shop during a shoplifting spree.

Brooke Jane Davis pleaded guilty to five counts of stealing.

The 24-year-old was accused of thieving from several stores between June last year and January including Coles, TK Maxx and Sunglasses Hut.

Magistrate Haydn Stjernqvist said: "You stole an Ovo s4 vibrator from Totally Adult."

Some of the items Ms Davis had stolen have been returned to the stores, but police prosecutor Phillip Stephens said more than £400 in goods was still unaccounted for.

Ms Davis's lawyer Neale Tobin told Maroochydore Court in Queensland, Australia, she had suffered from drug addiction at the time of her offences.

She is undertaking a therapy program for her habit and will give a medical report to the court at her sentencing later this week.

HE'S NOT SO LUCKY NOW

Serial killer to die

By BRAD CHADWICK news@sundaysport.co.uk

A SERIAL killer called Lucky ran out of luck when he was sentenced to DIE!

Lucky Ward was handed a death sentence after he was convicted of strangling two people.

He is also believed to have strangled two others in the Houston, Texas, area as far back as 1985.

Speaking after the sentencing District Attorney Kim Ogg said: "Jurors had the courage to look at all the evidence, give a voice to the victims, and declare that he was the worst of the worst.

"Ward tortured and brutalized his victims with no mercy."

Ward, 55, was convicted of capital murder for the deaths of Reita Long and Charlie Rodriguez in September 2010.

Horrific

Long and Rodriguez were found dead within weeks of each other. Prosecutors said one victim was found dead on the steps of a church and the other was covered in a blanket in a north Houston home.

Prosecutors also say Ward was tied to the deaths of 51-year-old Myra Ical and Carol E. Flood, 62, in 2010. They said he was also tied to the strangulation of Birdell Louis in 1985.

Prosecutor Colleen Barnett said: "What we have here is a serial killer.

"The circumstances are indeed horrific."

Prosecutors told the jurors how Ward had committed a series of crimes that date back to at least 1979.

In one crime, they say, he raped an 83-year-old woman.

SET FOR STARDOM: The original cast of the Aussie soap in 1987

KYLIE Minogue, Jason Donovan, Guy Pearce, Margot Robbie...

All these big stars got famous on Aussie soap *Neighbours* – which this week celebrates its 35th anniversary!

It was first broadcast on the Seven Network on March 18, 1985 and at first was not a great success.

But when it was bought by a rival network it exploded globally.

Soon Mrs Mangel, Scott and Charlene and Bouncer the dog were international celebs and the *Neighbours* theme tune – composed by Brit Tony Hatch, who also did the theme tune to *Crossroads* – was more being hummed worldwide.

The anniversary week kicks off on Monday with five special shows added to the regular slots.

10 things you might not know about ITALY'S DARKEST HOURS

ITALY'S Prime Minister Giuseppe Conte described the coronavirus outbreak that has led to its 60m people being placed in quarantine as the country's "darkest hour".

Italy is the worst-hit country after China, with cases of the virus confirmed in all its 20 regions.

On top of hundreds of coronavirus deaths, six inmates died during riots at prisons across Italy after authorities suspended all visits.

Here are some of the country's other testing moments...

1 **27 AD – A wooden amphitheatre built by entrepreneur Atilius collapsed in Fidenae, killing at least 20,000.**

2 July 19, 64 AD – The Great Fire of Rome began in the merchant shops around Rome's chariot stadium, Circus Maximus. After six days of fire, two thirds of Rome was destroyed. Emperor Nero blamed the Christians and threw them all to the lions.

3 **79AD – Of the many eruptions of Mount Vesuvius near Naples, this one buried tens of thousands in red-hot ash the nearby city of Pompeii.**

4 410 AD – On August 24, Rome was attacked by the Visigoths, led by King Alaric. This was the first time in almost 800 years that Rome had fallen to a foreign enemy – the slaughter was incalculable.

5 **1629–1631 – A series of outbreaks of bubonic plague which ravaged northern and central Italy, often referred to as the Great Plague of Milan, claimed possibly one million lives, or about 25% of the population.**

6 DECEMBER 1908 – A magnitude 7.5 quake in the Strait of Messina killed around 95,000 people between the cities of Messina on Sicily and Reggio Calabria on the mainland. A tidal wave followed which caused even more devastation.

7 **1943-45 – More than 150,000 Italians died during the Italian Campaign of World War Two.**

8 OCTOBER 9, 1963 – A massive landslide caused a man-made megatsunami in the lake held back by the Vajont dam, and caused 50m cubic metres of water to overtop the dam, leading to the complete destruction of several villages and towns, and 1,917 deaths.

9 **NOVEMBER 1980 – A 6.9 magnitude earthquake hit Campania in the southern province of Avellino and Basilicata, killing 2,916 and injuring 20,000 in the Naples area.**

10 2009 – Italy's biggest quake in living memory hit the city of L'Aquila in the mountainous Abruzzo region. Three hundred were killed and six thousand made homeless.

Fifty years of feminism...and STILL men are bullying women

FIFTY years ago this week, 'women's lib' became a thing.

Oxford University's Ruskin College's held the inaugural Women's Liberation Conference – an event that was portrayed in a recent episode of *Endeavour*, as it happens.

Now, as you can imagine, *Sunday Sport* and the whole women's lib movement have not quite seen eye to eye over the years.

Militant feminists have been, and remain, staunch opponents of you being allowed to read this newspaper.

But there is no doubt that the whole feminist movement has made incredible strides and won rights for women that today are self-evident but back then were radical.

Equal pay, protection from harassment, better protection against sexual assault.

Back in 1970, it was perfectly acceptable for a boss to grope his secretary's backside – or worse – and she was powerless to do a thing about it.

Those days are gone and nobody wants them back.

RIGHTS: Women's Lib in 1970

But now the feminists have a new foe who want to put women back in their box.

The 'trans' community.

Over recent years, the whole issue of 'trans' rights has exploded. Biological men in skirts and wigs want the 'right' to waltz into women's spaces – changing rooms, toilets, etc – and help themselves to the rights that women have fought tooth and nail to win.

And we have the insane situation that leading feminists are being prevented from speaking at Women's Liberation Conference anniversary events because they dare challenge the 'trans' creed.

Selina Todd, a professor in Modern History at St Hilda's College, had to be provided with BODYGUARDS last month after allegedly making transphobic remarks.

The feminist historian had been accompanied to lectures by the "two big burly guys" for infuriating some trans-rights activists.

And in the latest twist, she was 'no platformed' at an Oxford event about the women's liberation movement, due to criticism from trans opponents.

The feminist movement was supposed to stop the bullying intimidation of women – yet now we have leading feminists needing bodyguards to protect them from what, in a sane world, we would call men.

And before you ask, yes, we do have a full and active sex life!

SEE YOU LATER...IN BED: Glenda and scaly lover Ally she won as a 'newt'

ONE WOMAN'S AMAZING CONFESSION

By SIMON DEAN
simon@sundaysport.co.uk

SOME people have a dog, others have a cat.

Yet others have more exotic pets like gerbils or snakes.

But Glenda Forest can beat all of them – she's got a pet ALLIGATOR!

And scaly Ally is MORE than a mere pet – as divorcée Glenda, 53 says the giant reptile is her PARTNER!

Glenda, of Peebles in the Scottish Borders, said: "I was at a fair in Galashiels and where most fairs usually have a win a goldfish stand they had 'win a newt'.

"Well, I won one and I said to the man 'Is that not a bit bitey for a newt?' and he said – he had a funny accent, from abroad, I think – he said, 'This is special Mongolian newt, lady. Very rare, very expensive. You win good prize'.

"Anyway, after three months it was clear that I had not won a newt, Mongolian or otherwise. I'm no expert but this, I told myself, was an alligator I was dealing with."

Licence

Realising that keeping an alligator at home needed a licence, Glenda went to the Post Office but it was closed.

She said: "After that, I never really bothered and I hardly had time because I had to spent most of my day finding small mammals for Ally to eat. Neighbours' pets, mainly.

"But the more I fed him the more we bonded and one night after I fed him a Schnauzer, we became lovers.

"It was a beautiful moment. Human and reptile in perfect sexual union.

"We now have a full and active sex life and I don't care who knows about it."

Keeping an alligator at home without the relevant permit is an offence under the Dangerous and Wild Animals Act.

We have urgently passed our dossier to the authorities.

READER PIC

That's summer bust, Tracy!

REMEMBER summer! Busty Tracy Price does because last summer was when she posed topless in her back garden for this snap.

Tracy, 23, from Rugby said: "I just hope this photo reminds everyone that better days are just around the corner."

Would you like to see your sexy pic in *Sunday Sport*? Email *readerpics@sundaysport.co.uk* – we'll reply straight back.

Introducing Britain's most PESSIMISTIC astrologer...

SEPTIC MEG

FORGET astrologers who tell you you're going to meet a tall, dark stranger and that you're about to come into money...

Septic Meg tells it like it is – UTTERLY SHITE!

Other newspapers' stargazers are filled with optimistic balderdash, which leaves you completely unprepared for the vale of tears that is the real world.

Did any other newspaper astrologer see the coronavirus coming? Of course they f**king didn't.

So here's how YOUR immediate future is going to pan out, according to our very own SEPTIC MEG!

PISCES
FEBRUARY 19 – MARCH 20

YOUR finding of a kiddie's mitten in the street brings with it a heartening realisation.

Someone, somewhere, has a careless brat with a cold hand.

ARIES
MARCH 21 – APRIL 19

YOU will experience a sudden rush of unexpected warmth.

A sure sign your colostomy bag is buggered.

TAURUS
APRIL 20 – MAY 20

A STRANGER dressed in black will bring you mysterious tidings from afar.

Which is why it's best to pay the bills before the bailiff knocks.

GEMINI
MAY 21 – JUNE 20

THAT wasn't a glorious morning chorus you woke to.

It was permanent, high-volume, eardrum-shattering tinnitus.

CANCER
JUNE 21 – JULY 22

MAKE you sure you break the wishbone from your Sunday roast.

Before your grandma's windpipe does it for you.

LEO
JULY 23 – AUGUST 22

THAT plastic bag swirling in the wind might seem a mystical omen of great things.

But it was really just a sober reminder that you live on a tip.

VIRGO
AUGUST 23 – SEPTEMBER 22

YOU have reached a significant benchmark in your life.

Best clean it up before the park wardens come.

LIBRA
SEPTEMBER 23 – OCTOBER 22

ATISHOO! Atishoo! We all fall down!

(Old Chinese proverb)

SCORPIO
OCTOBER 23 – NOVEMBER 21

THE bright fire of daily sunshine will always penetrate the darkness of depression.

Whoa! Not you, Lord Blunkett!

SAGITTARIUS
NOVEMBER 22 – DECEMBER 21

THAT feather on the living room floor is not a poignant message from your late father.

But he is still dead.

CAPRICORN
DECEMBER 22 – JANUARY 19

WITH Saturn moving into Jupiter's alignment, the chances are that troublesome rash is probably quite a bit more serious than you think.

AQUARIUS
JANUARY 20 – FEBRUARY 18

YOU have experienced a great high followed within hours by a great low, but this is normal.

Payday is a bitch.

WEINSTEIN'S ASS IS MINE!

Movie perv faces bum hell behind bars

WARNING: Piotrowski says frail Harvey 'won't know what hit him'

HORROR TO COME: Prison life could be painful for Weinstein

HARVEY Weinstein was diagnosed with dangerously high blood pressure after he was rushed to hospital hours after being sentenced to 23 years in prison last week.

But his fragile health will be put under even more strain if and when burly Mikey "The Hammer" Piotrowski gets hold of him.

Because the one-time mob enforcer said last night: "Weinstein's ass is mine – he won't know what hit him!"

Piotrowski, 56, was at the centre of a scandal last year when he posted naked photos from his cell in Riker's Island, New York, on a gay dating site.

Warped

He had smuggled a phone into his cell at the top security nick and served two months in solitary as punishment.

Now Piotrowski is back in the general prison population and he's looking forward to giving warped Weinstein a taste of his own medicine.

Piotrowski has told insiders: "Nobody lays a finger on Weinstein, I want his ass fresh.

"I want to pluck that flower myself. Mmmm!"

A spokesman for Weinstein, 67, had said the shamed film producer suffered a heart attack and sources claimed he needed an emergency angioplasty, a procedure to open clogged arteries.

But they later rowed back on that diagnosis, instead confirming he was suffering from high blood pressure.

Shamed tycoon planned sex addicts' clinic

FILM perv Harvey Weinstein planned to open a SEX ADDICTION clinic run by women in a bid to revive his tattered image, unsealed court documents reveal.

The disgraced movie mogul outlined his idea for the facility in a statement which he personally drafted in 2017, when an avalanche of sexual misconduct allegations first began levelling against him.

However, the statement was scrapped by his team of PR advisers and was left unseen until last week, when the Manhattan Supreme Court released new documents pertaining to his recent trial.

By BRAD CHADWICK
news@sundaysport.co.uk

Weinstein was sentenced to 23 years in prison on Wednesday after being convicted of rape and sexual assault.

He wrote that his idea for the clinic stemmed from an old TV show, in which one of the characters creates a hospital named St. Jude's, where children receive free treatment.

Weinstein (*left*), 67, penned: "I thought to myself, Why don't I build a St. Jude's for Addicts? For alcoholics. For sex addicts. For those struggling with opioids, drugs, food, etc. Why don't I build a St. Jude's run by women?

"I'll finance it with my connections and turn it over to the women.

"They will have the best physicians from all over the world. It will be a place where women can talk, have groups, explain their experiences and talk to men directly."

Ferrell 'dead ringer' shoved dad off cliff

A MAN who's a dead ringer for actor Will Ferrell *(above)* lured his father to a cliff and pushed him off.

Gerald McCants, 49, persuaded his 78-year-old dad to go to the cliff to check out a rattlesnake he spotted there, according to an arrest affidavit.

McCants *(below)* then shoved the old man over the edge and he tumbled 40 feet

through dense brush.

During the fall, McCants' father said he heard his son "laughing", according to the affidavit.

Cops in West Austin, Texas, found the pensioner with a deep cut to his forehead and minor lacerations throughout his body.

McCants has been charged with injury to an elderly person.

Katie-Lou: I love to tackle a nice hard one!

By WENDY THOMAS
news@sundaysport.co.uk

CURVY Katie-Lou may be hooked on sex but what really gets her excited is a hard jigsaw puzzle!

The 23-year-old beauty, from Canterbury in Kent, said: "I started one with my friends at a trendy microbrewery and got the bug for it.

"Now I do one every week and they are getting more intricate.

"The most difficult one is of a load of digestive biscuits – that took me bloomin' ages!"

Katie-Lou, who boasts 30G curves, added: "Some people do things like a thousand pieces of just one colour, but that might be a bit too hard for me.

"Maybe I'll be able to work my way up to them but I'm enjoying getting better at completing them.

"The secret, I've found, is to start at the edges!"

I DON'T often get a day off on a Sunday.

But if I do, I make sure I plan a visit to the Cat Survival Trust.

It's in my home city and is absolutely amazing.

You get to see all kinds of wild cats and it's so damn cool.

Polished

It's not the most polished of attractions, which makes it all the better for me.

It's run on donations and really makes a difference.

After that I head to the pub for a few drinks, followed by an early curry at the Taj Mahal and a night in front of the box watching old episodes of *The Good Life* on Brit Box.

Then it's off to bed for a marathon shagging session.

Preferably not too active though after all that curry!

I really like to take it easy and shag in the spoons position.

Not only is it less energetic, his cock hits me in all the right places!

LEGENDS OF PORN

PART 99

ABBY CROSS

STUNNING Abby Cross has wowed adult movie fans with her passion for cock.

By PENNY MARSHALL
news@sundaysport.co.uk

Born in Austin, Texas, she got into the porn business aged 23 in 2012, making an instant splash with the iconic movie *I Love Big Toys 36*.

Three years later, she was doing her first anal movie – and porn hunk James Deen was the first man to penetrate her virgin botty pipe.

She said at the time: "James is definitely my favourite male performer!

"We've worked together a few times and he always leaves me wanting more!

She added: "OMG, there's something about a butt orgasm. It feels absolutely amazing!"

The 34B beauty has made many XXX-rated hits including, *Mothers Teaching Daughters How to Suck Cock 15*, *Star Whores: Princess Lay*, and the evergreen *MILF and Kitten: Youth Meets Experience*.

She says: "I don't watch a lot of porn, I just make it. I prefer watching Disney films."

RITE OF BACK PASSAGE: Abby says she loves doing anal

FIRST SEX

SANDY: I popped my cherry at the back of our local library when I was 17.

I was pretty wild when I was younger and we all used to hang out in the local park, which ran alongside the library.

One evening I copped off with this guy and ended up having sex with him. It was far from earth-shattering – in fact I can hardly remember it, it must have been that dull, but he enjoyed it.

He kept calling me up after that, but I didn't want to go out with anybody.

GEMMA: My first time was soon after my 18th birthday. The guy I'd been seeing had arranged everything, and it was a bit of a shock really because he was the one who had been holding out.

We'd been seeing each other for a couple of months and he said he wanted to wait until our six-month anniversary.

But he changed his mind and after taking me out for a romantic meal we went back to his place where he had covered the bed in rose petals.

It was so sweet. The sex was pretty good, too. We only did it in the missionary position, but he made me orgasm first with his tongue.

I felt on top of the world for hours after that!

ORAL PLEASURE

GEMMA: I was seeing this guy at work, but no-one else knew, and one day he followed me into the ladies' toilets.

At first I told him to get out because I didn't want anyone to catch us together, but when he started kissing me I just couldn't resist him.

Before I knew it, he had his hand down my shirt and was playing with my boobs.

Then he slipped his hand even further down – into my knickers, and started rubbing me.

Then he asked me to be really naughty and suck him off.

I didn't really know what to do, but I figured it couldn't be that hard, so I sat down on the toilet and sucked his cock.

Halfway through, someone came into the loo.

It was so hard not to laugh and I'm sure she could hear his heavy breathing.

I still don't know who it was, but at least no-one caught us at it. It was such a horny moment – I'd love to do it again!

SANDY: I went to Germany on a college trip and ended up giving my exchange student's gorgeous brother a blowjob in the steam room!

I was staying with this lovely family and the girl I got paired with had a really fit brother.

We hit it off straight away and I could tell he fancied me.

We went to this old spa near Munich, and I ended up in a steam room with him.

There was no-one else there so we started snogging and before I knew it he had his knob out.

I think he wanted sex, but I wasn't ready for that so instead I knelt down and gave him a blowjob.

I was a bit shocked when he shot his load in my mouth, and I didn't know what to do so I spat it out on the floor.

We got out of there straight away afterwards!

BUM FUN

GEMMA: I'd gone to Italy to stay with a friend I met at college, and I met a really fit guy called Fabio.

He looked a bit like a young Al Pacino and was also really experienced in the sack.

I ended up sleeping with him on my second night there after we'd all been out clubbing.

He did things to me that no other man had done, and when he asked if I'd do anal I thought, 'Why not?'

I knew I wouldn't see him again after that trip, so if things went wrong and I didn't like it there would be absolutely no embarrassment.

But he really knew what he was doing and I loved every minute of it. About 30 seconds after he got the whole length in I had an amazing orgasm.

SANDY: I've not got into bum fun properly. I've tried it a couple of times, but can't seem to relax enough.

The first time was with my ex-boyfriend, but his willy was too big for me, even though we used loads of lube.

Luckily, we put a condom on so when it didn't work out he just did me from behind, doggy style.

I've tried it a couple of times since with casual flings and it's OK I suppose.

Maybe one day I'll meet a guy who knows how to turn me on so much that I enjoy it even more.

'I love it when he shags me while I'm wearing my crotchless knix!'

SELF LOVIN'

SANDY: I used to really fancy my friend's boyfriend, and because I couldn't do anything about it, I used to play with myself while thinking about him.

The very first time I was just kind of daydreaming about him in my bedroom when I realised I was getting really wet down below.

I put my hand into my knickers to feel and started rubbing myself.

I came in about two minutes!

GEMMA: The first time I did it was in front of an ex-boyfriend. He got really turned on watching me play with myself.

He couldn't believe I'd never made myself orgasm before, so he encouraged me to do it with him right there.

I felt a bit shy at first, but it didn't take long before I was feeling really turned on.

The next morning when I woke up I did it again, but this time on my own, and then I did it again… and again!

I don't know what I was waiting for!

SEX TOYS

GEMMA: My first toy was a set of fluffy handcuffs that I got as a joke present for my 21st birthday. I don't think my friends actually expected me to use them, but they were great.

The night after my birthday I got my fella round and tied him to the bedpost. Then I went down on him.

And he loved it!

I really like to be dominating – it gives me a major kick, especially when the guy can't move.

I get really turned on when I can sit on his cock and just ride him without him touching me.

SANDY: I love being tied up – not with handcuffs, they hurt, but with soft silk scarves. At the same time I like to be blindfolded. It's scary but horny when you don't know what the guy is going to do to you next.

My first sex toy was a vibrator, which I got a couple of years ago. I used it on myself first, then got my boyfriend to tie me up and use it on me.

It was one of the most intense orgasms I've ever had. I just kept on coming!

DRESSING UP

SANDY: The first time I put a costume on in the bedroom it was purely by accident. I was taking part in a burlesque dance show and my boyfriend walked in while I was trying the outfit on.

He was really turned on by the corset, fishnet tights and feather boa.

I wanted to keep it all nice, but he couldn't keep his hands off me and we ended up having a romp with it on.

Then I had to go out and buy another pair of tights because he'd ripped them trying to get them off me!

It's the roughest sex session I've ever had – and it was absolutely brilliant.

GEMMA: I once bought a basque to wear in the bedroom but ended up taking it off after five minutes.

I do own a selection of seriously kinky undies though… just for the bedroom.

My favourite is a pair of crotchless knickers which I wear with a pair of naughty nipple tassles.

I love it when my fella shags me while I've got those knicks on.

It's really horny!

TELEVISION X

BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE with SIMON DEAN

TODAY

Paramount Network, 10.50pm, *Red Heat* – DODGING bullets during a shoot-out at one hour 21, Gretchen Palmer bares some bangers of her own. Fine, fine teats on show. Especially under such trying circumstances.

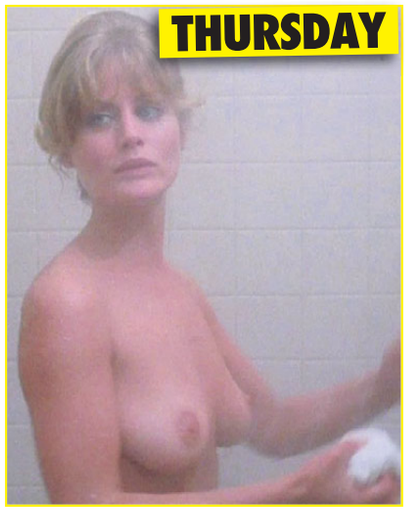
WEDNESDAY

Horror Channel, 10.50pm, *FearDotCom* – A HORROR-crime movie about a killer website. As the detectives investigate they stumble across a few cases of exposed boobs. No timings. Soz.

TOMORROW

Film4, 1.10am, *Call Girl* – SWEDISH, so you know it's filthy. Josefin Asplund gets them out several times and her pert Nordic teats are hornier than a Viking's helmet.

THURSDAY

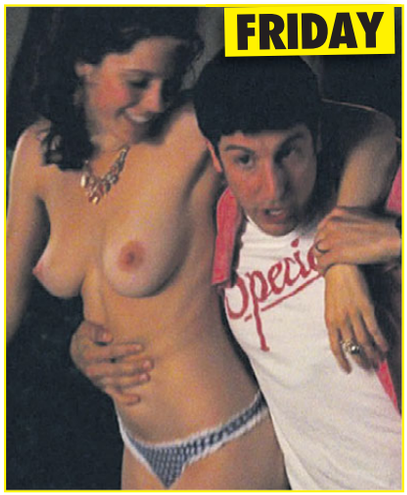


ITV4, 10.30pm, *National Lampoon's Vacation* – A GREAT shot of Beverly D'Angelo's bouncing boobs in the shower when Chevy Chase sneaks up on her Psycho-style at 19 mins.

TUESDAY

Sony Movies, 10.55pm, *Alpha Dog* – ABSOLUTELY crammed with boobs. Olivia Wilde topless in bed smoking a fag is a special delight.

FRIDAY



ITV2, 9pm, *American Reunion* – THIS is the forth film in the American Pie franchise, would you believe? Ali Cobrin provides the busters, starting at around 42 mins. You'll get a Stiffler!

PICK

TODAY

TOMORROW

Miss World 1970: Beauty Queens and Bedlam – BBC2, 9pm

THE story of the protest at the contest, when protestors dramatically disrupted the event and kick-started a feminist revolution in front of an audience of millions.

Hannah Berryman's film uses archive, animation and contributions from key players to offer an entertaining and thought-provoking celebration of a night of game-changing anarchy.

Sit back and enjoy a great city break

St Davids: Britain's Smallest City – ITV, 8pm

TOURISTS flock to go wildlife spotting on Ramsey Island as the holiday season is in full swing, while the Women's Institute tuck in to an insect-fuelled feast at the bug farm.

Siriol Jenkins narrates the documentary about the people who live and work in the city of St Davids in Pembrokeshire.

A lovely half-hour away from the disease and misery of our current situation.

OF THE TELLY

By BARNEY SAMUELS

Classic movie is a must-sea

The Cruel Sea – BBC2, 9pm

THE veteran commander of a British escort vessel guides his inexperienced crew through the dangers of combat at sea during the Second World War Atlantic campaigns.

Demoralised by the failure of his last command, the captain faces a life-or-death decision in his duty to sink an enemy vessel.

Nautical action adventure, starring Jack Hawkins, Donald Sinden, Stanley Baker and Denholm Elliott.

Brace yourself for that immortal line: "It's the war, the whole bloody war!"

The Good Karma Hospital – ITV, 8pm

NEW series. After months away with her family, Ruby returns to the hospital for her pregnant sister to give birth.

However, when a life-or-death medical crisis unfolds, she is forced to decide where her loyalty lies.

Meanwhile, Greg gets a surprise family visitor.

Medical drama set in southern India, starring Amrita Acharia, Neil Morrissey and Amanda Redman.

Trigonometry – BBC2, 10pm

NEW series. Accomplished chef Gemma and her paramedic boyfriend Kieran live together in west London, above Gemma's cafe.

The pair are barely making ends meet, and their differing shift patterns mean they're like ships in the night.

To ease some of their financial pressure, they ecide to take in enigmatic lodger Ray, a former world-class synchronised swimmer whose arrival commences a modern-day love story that will change the trio's lives – and how they view relationships – for ever.

Drama, starring Gary Carr, Ariane Labed and Thalissa Teixeira.

TUESDAY

Cops Like Us – BBC2, 9pm

NEW series. Documentary following Staffordshire Police officers, who talk candidly about the frustrations of being coppers on the beat in Stoke-on-Trent, one of the UK's most deprived cities.

Filmed over six months, the series captures emergency response teams trying to combat a backlog of cases, as well as a rise in gang culture, hate crime and domestic violence.

Interviews with the Chief Constable and his team also reveal how they manage their limited resources, and how they feel about the decisions they have to make.

Penance – C5, 9pm

NEW series. Grieving mother Rosalie Douglas refuses to accept that her son Rob's sudden death was an accident.

Husband Luke has moved out of the house, and teenage daughter Maddie is acting out, wracked with grief and an as-yet unexplained guilt over her brother's death.

Their lives change for ever when Rosalie meets Jed – a charismatic young man – at bereavement counselling.

Psychological drama, starring Julie Graham, Nico Mirallegro and – yet again – Neil Morrissey.

DON'T MISS THIS!!!

Taking Control: The Dominic Cummings Story – BBC2, Wednesday, 9pm

EMILY Maitlis examines Boris Johnson's chief adviser Dominic Cummings's place in the UK's changing political landscape, stretching back over two decades.

The film charts his arrival in Downing Street as a senior adviser with significant and perhaps unprecedented power.

Now, with the largest Conservative majority since 1987, Cummings aims to play a key role in reshaping teh nation, economy and government.

Featuring testimonies from some of his fiercest critics and closest political friends, the documentary sheds light on a man whose ambitions may now direct Britain's journey for years to come.

JEANA'S BUM FUN SECRET!

By WENDY THOMAS
news@sundaysport.co.uk

BOOBY beauty Jeana Brock has got a special treat for her fella – an anal sex session!

The 29-year-old has been dating her new man for six months.

And she reckons the time is now right to let him up her back passage.

The 34E scorcher, from Hersham in Surrey, said: "He's really lovely and has definitely earned it.

"But we'll have to go nice and slowly and really lube up because he's got a massive cock.

"I can't wait though.

JAY: YOU WANT A PIZZA THIS?

By WENDY THOMAS
news@sundaysport.co.uk

WHEN Jay Harris first whipped her kit off for a camera she was incredibly shy about revealing her body.

Now, the 30DD babe is so comfortable being naked she answered the door with no clothes on to a shocked pizza delivery driver!

Jay, 24, from Derby, said: "I used to be really shy about getting naked – but now it's just second nature.

"I recently ordered a pizza and forgot to put any clothes on when I answered the door.

"The man's eyes nearly popped out of his head!"

ABBIE'S 4-SOME WITH VEGGIES!

AFTER spending a night shagging herself silly with a courgette, carrot and huge cucumber, stunning Abbie Cat is worried she might be a sex addict!

The 32D beauty. who's from Budapest, said she was staying in an Airbnb when she found herself feeling incredibly horny.

So the 26-year-old used whatever came to hand to get her rocks off.

She said: "I just wanted that feeling of having my holes filled so I slipped a cucumber up my fanny, a courgette up my bum and started sucking off a carrot.

THE WORLD FAMOUS AGONY Page

Dear Dani,

MY wife wanted to spice up our lovelife this Christmas, so she went to a sex shop and bought herself a 10-inch strap-on.

I wasn't keen at first, but after a few large whisky and Cokes on Christmas Day she managed to persuade me to have a go.

We went upstairs and after I'd licked her fanny and had my cock sucked, she grabbed the dildo and buckled it on.

I was still a bit nervous, but I knew she wouldn't hurt me on purpose.

We'd also used plenty of KY Jelly, so I thought I'd be okay – which, of course, I was.

The problem is that I got right into it and was soon moaning my head off with pleasure.

The missus was annoyed because she had to do all the shagging.

Do you think she is being a tad unreasonable?

LT, Newcastle

Dani says...
WELL, she did buy it. You have to respect her needs too.

Dear Dani,

I WENT to a works bash the other week, got totally legless and ended up shagging a right old boiler.

I'm 23 and she's 47 with a thumping great pair of tits and a huge arse but I was so pissed I didn't care. I had her knickers down and my cock up her in no time, and after I lost my mess she even gave me a nice wet blowjob to boot.

When I got in to work the next day there were posters of me groping and giving the old bird one stuck up on all the walls.

A "pal" had snapped us on the job with mobile phone, blew up the pictures and printed them out them.

I'm a laughing stock. What do you reckon I should do?

DN, Manchester

Dani says...
I've no sympathy and think you're a pig for being rude about this lady.

My nightclub exploits put pal's record in the shade

Dear Dani,

I'M a 24-year-old fella and I went out clubbing with my mate the other night.

It was the third night on the trot that I'd been out and I had big bags under my eyes, so I decided to wear sunglasses.

Me and my pal always like to have a competition to see who can pull the most babes in a night.

And to be honest he usually wins – but not on the night I wore my shades.

Ready

Girls kept coming up to me and asking if I was famous and, as you would expect, I told them I was.

By the time we were getting ready to leave the club I'd alread copped off several times, while my mate hadn't managed one.

Then, right at the end, a pair of stunnas started chatting to me. They were sure they'd seen me on telly. They invited me back to their place and it wasn't long before had both of them slurping on my rock-hard dick.

And I really couldn't believe my luck when they broke off from pleasuring me and started on each other.

My eyes were nearly popping out of my head – good job I was still wearing my sunglasses – as they licked and sucked on each other's nipples at the same time as fingering each other's sopping fannies.

And when one of them went down on her pal I thrust into her doggy style. I slapped her arse playfully, which she really seemed to enjoy, as she licked out her friend's shaven pussy, lingering over her swollen love bean with her darting tongue.

And then I got them to swap over and I f**ked the other girl as well.

It was the best night's shagging of my life and I couldn't wait to tell my pal all about it the following day.

But when I phoned him he was pissed off because I'd left him in the club. He said he didn't believe me anyway and he hasn't spoken to me since. What should I do?

DM, South Yorks

Dani says...

GIVE him a go of your sunglasses.

Dear Dani,

I CAME home from work early the other day to find my wife on the couch licking our next door neighbours' daughter 's quim.

I was shocked but I soon got aroused when the dirty 20-year-old unzipped my flies and started sucking my cock as my wife slurped at her clit.

Then my wife told me she wanted me to shag the girl while she sat on her face. Me and the wife are both 46, so getting to shag that pretty young pussy was the best thing that has happened to me for ages.

I took my time, rubbing my helmet against her shaven pussy lips before pushing it in and out for half-an-hour until we both came.

Then the girl sat on my wife's face while I shagged the missus. By this time I was knackered – I'd had a hard day at work – and I lost my hard-on and kept slipping out of her chuff. After the tightness of the lass's pussy the wife's seemed slack..

We gave up after a while but the girl wants more. My wife has got jealous, though, and says I'm not allowed to shag the girl again. What do you think?

AG, Hull

Dani says...

ASK your wife if the girl can come round on your next day off work.

Dani says...

NORMALLY, I'd say it's important to go about your life as usual until the Government advises otherwise – but that looks like much more fun!

SUNDAY Sport SEXY BACK END!

Jasmine: I need it three times a day!

BUSTY Jasmine Rouge says she gave up saucy solo sex sessions for Lent.

But she reckons not playing with herself has turned her into a SEX-MAD monster.

The 28-year-oold Geordie said she's been jumping on her fella and demanding sex at least three times a day because she's no longer allowed to finger herself.

Jasmine, 34D said: "At first he was well-pleased but now I think he's getting a bit tired.

"He can't wait for Easter, so he can get some peace!

"But it's tough luck. If I'm not fingering myself then I need at least three sex sessions every day – more if I'm feeling really horny.

"My record number of orgasms in one day from just fingering myself is 19!"

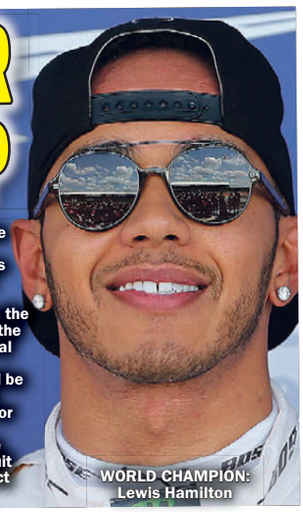
RED FLAG FOR HOLLAND GP



WORLD CHAMPION: Lewis Hamilton

THE Dutch Grand Prix is the latest Formula One race to be pulled from the calendar.

The sport was trying to maintain business as usual but was forced to call off the Australian curtain-raiser at the last minute.

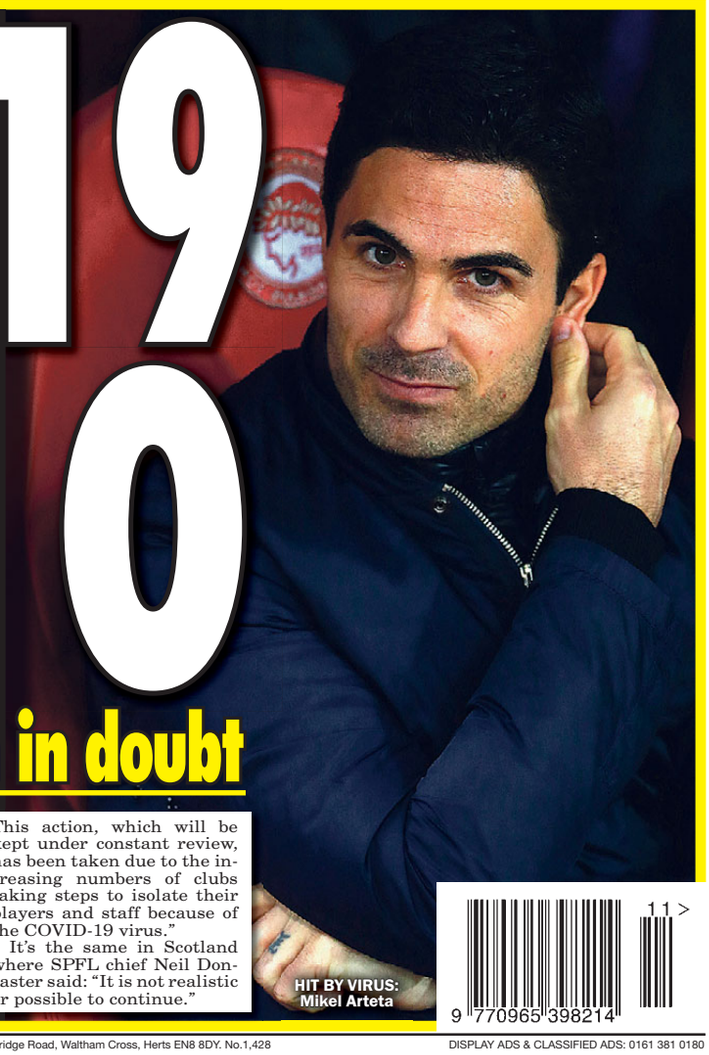
That was soon followed by the axe falling on the Grands Prix in Bahrain, Vietnam and China as the sport coped with cases of coronavirus in several big teams.

Now it looks like the Dutch GP on May 3 will be postponed too. The race is in line to be moved back to August with the usual summer break for the season scrapped.

Organisers are keen to run the race at some point because it is back at the Zandvoort circuit for the first time since 1985. There is no verdict yet on the British Grand Prix in mid July.

COVID 19 FOOTY O

It's all off as virus puts season in doubt



HIT BY VIRUS: Mikel Arteta

BRITISH football is in crisis after all games were called off in the fight against coronavirus.

By BRENDAN MACKIE

Smaller clubs face ruin without essential gate money to keep them going after all matches were postponed until April 3 at the earliest.

And bigger clubs are waiting to find out whether the season will be completed at home and in Europe.

Football had already acted before the government pulled the plug on mass gatherings in both sides of the border.

Several clubs — including Arsenal where boss Mikel Arteta tested positive for coronavirus — have their players in isolation.

An FA statement said: "The FA, Premier League, EFL, Barclays FA Women's Super League and FA Women's Championship have collectively agreed to postpone the professional game in England until 3 April at the earliest. This action, which will be kept under constant review, has been taken due to the increasing numbers of clubs taking steps to isolate their players and staff because of the COVID-19 virus."

It's the same in Scotland where SPFL chief Neil Doncaster said: "It is not realistic or possible to continue."
